# Ashton Area Chamber of Commerce

The next Ashton Area Chamber of Commerce meeting will be **Thursday, April 16, 2020 @ noon @ in the conference room @ The Main Office on Main Street.** We are looking for someone or a group who might be interested in being the 4th of July chairman. Please contact the Chamber @ 208-652-3355 for more information.

It's that time of year when we start planning the activities for Ashton's Independence Day celebration! First thing to decide is our theme for our parade. The theme encourages and helps those building a float know what to work toward with everyone having a common theme for the parade. We, as your Ashton Area Chamber normally open this challenge to the student's in our schools. However, with recent events we would like to make the annual 4th of July theme contest open to the community this year. Please submit your ideas to the Ashton Chamber of Commerce via email @ info@ashtonidaho.com OR you may call Rachel @ 208-652-0144 and tell her your idea. **Deadline for submissions will be May 19th.** The ideas will be voted on at our May meeting. The winner will win a \$25 gift certificate to Swiss Precision, courtesy of your Ashton Area Chamber of Commerce.

## Ashton Area Chamber of Commerce

Your Ashton Area Chamber of Commerce Board of Directors have come to the conclusion that the scope of our Chamber of Commerce is in need of some revamping for the future. We are in the midst of making some changes to accommodate the future. With this being said, we are looking to rethinking the Ashton Chamber Newsletter and it's value. We are also looking to use more technology to help communicate events and happenings. Please be aware that times are changing and we are striving to provide the best we can so that we can promote the businesses in our area. We also want to be able to serve our members the best we can. If you are a member or want to become a member please join us at our meetings on the third Thursday of each month at noon at The Main Office. We would really appreciate anyone's input as we shift what our Chamber has been the past few decades to what it needs to become for the next few decades.
