Ashton Area Chamber of Commerce

The next Ashton Area Chamber of Commerce meeting will be **Thursday, August 20, 2020 @ noon @ in the conference room @ The Main Office on Main Street.** We are looking for someone or a group who might be interested in being the 4th of July chairman. Please contact the Chamber @ 208-652-3355 for more information.

Reflecting on last month and our Ashton 4th of July celebration, we as your Ashton Area Chamber of Commerce are pleased with what events we were able to make happen for Independence day 2020.

We are excited that our Ashton Parade 2020 was a great substitute that many participated in and many enjoyed driving around and seeing the many residences and businesses decorated. We as a Chamber wish to say, "THANK YOU" to the many businesses who donated to our prize gift baskets. You all did awesome and made us proud to represent our business community. Our theme contest was great with about 8 entries. Our winner of the \$25 gift certificate to Swiss Precision was Jaymie Stronks and her theme: 2020 Vision: Pride in our Past—Faith in our Future. Thanks to all who entered their ideas this year. Our 1st ever Parade of Ashton 2020 had 15 entries. We are excited to announce that Donna Steinmann won 1st place, Five 11 Main won 2nd place, and Zion Lutheran & T.Jay & Jaymie Stronks tied for 3rd place. It was a great joy to see others decorate their homes and businesses to help our community feel some unity and togetherness during COVID-19. We appreciate everyone's pride in our community. We are looking forward to having our regular parade next year and praying that the pandemic and circumstances in our area will allow for us to move forward safely in the months to come. We also want to thank the NFFD for the fireworks display and the Legacy Flight museum for the flyover!

Business Spotlight:

If you are looking at buying, selling, or investing in property in the Eastern Idaho region, **Dallas Hill** highly recommends hiring a Realtor.

Time to Use the RIGHT Realtor.

Dallas Hill

Helping People Is My Passion

Silvercreek REALTY GROUP

Doing so brings great advantages. The biggest advantage is having a stress-free transaction using an industry professional. **Dallas Hill** feels that having an experienced professional gives you the advantage during negotiation, you also have access to the widest and most accurate local resources, and peace of mind as contracts and other documents are drafted and signed. **Dallas** has a tip; simply hiring an agent is not the solution. In the same way not all teachers, bosses, handymen, lawyers and doctors are not the same, hiring the right agent is also important. Not all agents are alike. Some agents use smooth talking and high-pressure sales tactics which leads to poor experiences. In an effort to provide the right alternative, **Dallas Hill** offers a better way to approach the real estate market.

Dallas Hill is a local realtor for Silvercreek Realty Group, and firmly believes that the most important resource in life is people. Therefore, how we treat people matters more than any other priority. To get anywhere in life we need help from good people. Good people care about helping others succeed; they are honest, hard-working, trustworthy, and caring. **Dallas Hill's** entire business model revolves around being the kind of person people want to seek out. In the real estate world, transactions happen every day that affect families, portfolios, wealth, and savings. These are important personal assets that cannot easily be replaced. That is why **Dallas** focuses so much on exhibiting integrity. At the end of any day, **Dallas Hill** knows that treating people right is more important than anything else.

Dallas Hill was born in Driggs, Idaho, and raised in Jackson Hole. His grandfather was a lifelong Idaho farmer in Driggs. He fondly recalls the summers he spent working on the farm and the deep appreciation he gained for the contribution of Idaho farmers, and for their values that established this region. In Jackson, Wyoming, **Dallas** enjoyed the natural landscape surrounding the Snake River area. He understands and appreciates those who are buying, developing retirement homes, vacation homes, and places established as others come to enjoy our beautiful outdoors. **Dallas**, his wife, and their small family moved to Ashton a few years ago. He is thankful to be raising his young family in a community like Ashton.

Dallas has been a realtor for the past 2 years and has worked with many other agents. Learning from other agents about what they did and what he didn't like, **Dallas Hill** prides himself on customer service. He will work hard for you through every phase of purchase or selling your home/property. As of now, he is specializing in selling/buying residential-single or multi-family dwellings, land-developed & undeveloped, and farms/ranches. **Dallas** is currently looking for more listings. Currently there is a high demand in the market with an inventory shortage. As he and his client's set up their home for showings or walk through a home together, he will use his unique touch to help them reach their goals.

As you are searching for help in the real estate market, **Dallas** invites you to call or email him for a personal, no-pressure meeting. He will show you market data, current listings, recently sold listings, and discuss how this information can empower you as you team up on the market together.

Ashton Area Chamber of Commerce

Your Ashton Area Chamber of Commerce Board of Directors have come to the conclusion that the scope of our Chamber of Commerce is in need of some revamping for the future. We are in the midst of making some changes to accommodate the future. With this being said, we are looking to rethinking the Ashton Chamber Newsletter and it's value. We are also looking to use more technology to help communicate events and happenings. Please be aware that times are changing and we are striving to provide the best we can so that we can promote the businesses in our area. We also want to be able to serve our members the best we can. If you are a member or want to become a member please join us at our meetings on the third Thursday of each month at noon at The Main Office. We would really appreciate anyone's input as we shift what our Chamber has been the past few decades to what it needs to become for the next few decades.
