Business Spotlight:

Cabin of Ashton 23 Maple Street

Our cabin is located just 58 miles south of West Yellowstone, 20 minutes from Harriman state park and 10 miles from the incredible Mesa Falls. It is 1700 square feet. has 3 bedrooms - each with

two brand new full beds, ceiling fans, 2 full baths and a 300 square foot living area that features a 60 inch Samsung TV mounted (free WIFI and cable) above a gorgeous fireplace where the stones were handpicked by a local mason from the Madison River. We offer a full kitchen with tableware, microwave, pans, skillets, toaster, garbage disposal and every other kitchen amenity imaginable. There is also a formal dining table that seats 6- 8 people. We are 2 blocks away from the Trails Inn restaurant as well as Dave's Jubilee supermarket which has a deli, meat section, and all the grocery items to accommodate a lengthy stay. Hiking and fishing abound since we are close to Mesa Falls and West Yellowstone and Harriman Park. Our cabin is spacious and built for those who want to relax, have space and enjoy comfort.

My business partner and I are from Indianapolis Indiana and bought the cabin back in 2016 due to our intense interest in fly fishing the western waters of the Henry's Fork and South Fork. We are both semi-retired coming from the plumbing industry and nurse staffing business. We updated the cabin for our own comfort and enjoyment and we rent it only to families who will treat it with the same respect as us. Our only request to those who rent is that they leave it in the same condition as it was in upon arrival. Other than that, we are glad to share it and always look forward to hearing from our guests. From our cabin, you can be in Jackson Hole in one hour and twenty minutes and West Yellowstone in less than an hour. IN the summer, you can fish hike and sightsee. In the winter you can ski and snowmobile. We also have all the connections to coordinate fly fishing trips. The town of Ashton is quiet and charming. There is a park just down the street with a public pool, pizza parlor, hardware store, bank, and other merchants.
