May is Poppy Month

The measure of a man may be his willingness to serve his country. The measure of a country may be its willingness to honor those who served to protect the free world. Each year the American Legion Auxiliary reminds Americans of their debt to veterans with the sale of memorial poppies, made by disabled and hospitalized veterans as a part of their therapy. Funds contributed on Poppy Day are used exclusively for programs related to veterans and their families. *Watch for our American Legion Auxiliary on May 19 and show your appreciation to our veterans!*
