Business Spotlight:

Big Juds Diner

Are you tired of being the cook at home? Well maybe you need a night off? Get on over to **Big Juds Diner**! They've been in business for over 14 years. Owner **Todd Bossard** has made this business a favorite of the locals. He also is a great person to call when you have a party to cater. Just have Todd cook your meat for you, roast beef, pulled pork, you name it, Todd will make it good. They are famous for their 1lb. burger and each patty is weighed individually so no one is jipped in any way! And you got to love their fresh cut fries! Can't stay long, order your lunch or dinner to go. Just call **652-7806**. They are open 11-10pm in the summer Mon.-Sat. and 11-9 in the winter.

Pool Fundraiser

The community barbeque and baked goods auction was held Friday, August 13th in the City Park at the Rotary Pavilion. Though the numbers were few and the baked goods fewer, we were still able to raise \$1,100. Thank you to all who attended and donated to our city pool. It is very appreciated!

Love is in the air!

On Thursday some tourists were traveling through and stopped at our wonderful Visitor Center. Walking in the lady exclaimed to the man, "Our stars are in line, we need to be married now." With that the man asked for assistance from the volunteers. At this time our Visitor Center volunteers became "Wedding Planners" and were on the phone making quick arrangements! They called Mayor Stronks and within 15 minutes he met the couple (who had all their papers ready) at the city building, Cathy & Jan quickly became witnesses and the wedding proceeded! Following the wedding the happy couple returned to the Visitor Center where wedding pictures took place, making sure to include their helpful "Wedding Planners", as a part of their happy day! Their dreams came true in our beautiful area!

Welcome to Ashton!

This summer a group of artists and citizens in town have been meeting and creating a "Welcome to Ashton" sign to encourage travelers to slow down and come see our lovely city. It has been designed and a company has been chosen after it was put out for bids. The sign will read, "Ashton Welcomes You", with an arrow under it pointing into town and saying, "Your Adventure Starts Here". There will be three signs, one for each entrance; north, south, and east. Most of the funds for the signs have been donated and others are being approached for the rest of the needed money. So keep your eyes open as we hope to have the signs up by fall. This will become a great accomplishment and one more thing for us to be glad that we live in this beautiful city!

*The NF Booster Club is looking for people to join and be a part of the club. If you are interested in becoming involved, please contact MoNee Harrigfeld @ 652-3963.
