Business Spotlight: Ashton Memorial

There has been a lot going on at Ashton Memorial lately. Since a new director has gotten his shoes wet, **Shon Shuldberg** is over both the *Ashton Medical Clinic* and the *Ashton Living Center*. The *Ashton Medical Clinic* is gearing up for flu season.

They have some special dates they would like you to take advantage of for your flu shots. **October 15, 22, 29, & November 5** will all be special flu shot days where there will be an extra nurse on hand to alleviate a long wait. There health professionals recommend you get your flu shot during the middle of October to cover the bulk of the flu season.

And the Chamber of Commerce would be remiss if we didn't recognize the many awards our *Ashton Living Center* recently received. Congratulations for receiving the *Schoonover Award-Excellence in Caring Award*, the *2010 Quality Award*, and *Nancy Gunter* received the *Skilled Nursing Employee of the Year Award* for her 18 years of working at the *Ashton Living Center* with the past 3 in the kitchen without receiving one tag against her dietary program each year she's been audited! Congratulations for all of these awards and for the fine care both facilities provide for our community!
