Business Spotlight:

Dr. Kunz, Toenjes, Bizzee & Orme

As a community we are lucky to have a wonderful dentist in town with so many services offered, **Dr. John Toenjes** (or as the kids call him "Dr. John") is ready to help you with many of your dental care needs! His office is open every Monday and Tuesday in Ashton. Located at 204 Main Street, Dr. John and his staff are ready to assist you and your family's dental care. You can always count on him to hand out a toothbrush instead of candy at any Halloween event. Besides cleaning your teeth and fixing those cavities or root canals, in case you didn't know he is also able to perform orthodontic needs, implants, clear correct braces, and lumineers. Dr. John also fluently speaks Spanish which is most helpful in our community with so many Latinos. So call Dr. John today and get your smile looking great for the holidays! Shop in Ashton

Your *Ashton Chamber of Commerce* is pleased to announce that we will be having another "Shop Ashton" event for Christmas! The goal of Shop Ashton Week is to remind people that Ashton has businesses that can meet their needs. Many of you will remember the drawings that were held on Main Street that brought all the area residents into town. Your Ashton Chamber of Commerce has recreated this idea. During the weeks of **November 19-December 3** participating businesses will be advertised heavily and purchases made at these participating Ashton businesses will give customers a chance to win prizes at our Shop Ashton finale December 4 during the *Spirit of Christmas* activities. **All Businesses that wish to participate this month need to contact the Chamber of Commerce by November 12th and have all donated prizes to Rachel. Thank You!**

Are you ready for Thanksgiving?
