Business Spotlight:

Hair Fair

Linda Janssen has operated the *Hair Fair* since 1981, that equals out to about 30 years of multiple heads and hair-dos. Yep, if you need a new style for the holidays or any special occasion for that matter, you need to give Linda a jingle! She's done almost every style and is ready for anything new! With a lot of experience, she is open *Tuesday-Friday* and has very flexible hours! She gives wonderful perms, hair-cuts, or any other great need you have for that stringy stuff on top of your head. And we all know that our beauticians act as great counselors too! I as the editor can attest to this as she has a great ear for listening. Whoever said that a beautician is not a magician never had visited the *Hair Fair* before. So, get on over to the *Hair Fair* and talk to *Linda* or give her a jingle to make your appointment today! The weather may be frightful outside, but that leaves no excuse for how your hair looks! Give Linda a jingle today and make your appointment: **652-7222**

Thank You!

"Thank you to the City of Ashton Public Works crew for their continuous efforts with keeping our streets cleaned during the winter time. The care and time you put into all the snow removal keeps Ashton with the best city streets around!

Sincerely, Kathy Huntsman-Stegelmeier"
