Ashton Area Chamber of Commerce

Your Ashton Area Chamber of Commerce are excited to get ready for the upcoming events! First of all we would like to remind everyone about our annual **Easter Egg Hunt; Saturday, April 23 @10:30** for ages 1-11. Our location will be determined by the next newsletter, so watch for that in a couple of weeks. Secondly, even though there is still snow around we are gearing up for our **4th of July Celebration!** The 4th of July is only 3 months away and we are busy starting to get things in order. For those of you who are ready to start planning your float for our famous parade; we had our theme contest and would like to **congratulate Patty Litton** with her idea of **"We the People"**. She was our winner and won a \$30 gift certificate to be used at any 2011 Chamber Member business of her choice. **Great Job, Patty!** We are also in the process of planning the dinner to raise the funds for our beautiful fireworks, so mark your calendars on **Friday, May 13th**. That's right, Friday the 13th won't be something to be superstitious about this year, but a fun night for the entire family to support our firework display on the 4th! There's no baseball, there's no soccer, there's no excuse to miss this important night! So, if you enjoy our fireworks and don't want to drive far on the 4th of July, plan on supporting us on the 13th of May!

Information deadline for the Newsletter is due by 8 AM on the Saturday prior to the first and third Tuesday of the month. Please email anything you would like posted to info@ashtonidaho.com or leave a message at 652-3355.

Business Spotlight:

Dan's Plumbing & Heating

With spring on slowly approaching us it is time to give **Dan's Plumbing & Heating** a call to make sure your hydrants are frost-free and ready to use! It would be a shame to have any cracks or leaks appear when we have **Dan's Plumbing and Heating** right here on 421 Main Street to help us out with our plumbing and heating needs. They've been serving Ashton for 18 years! So, if you are in need of someone to help you out with your plumbing or heating give **Dan Whitmore** and his men a call. They specialize in heating and plumbing service work as well as new construction. Dan would like to extend a special thank you to the community for the years of support! So, give **Dan's Plumbing & Heating** a call this spring for repair on any damage our long winter has brought to your pipes. Call Dan @ 652-3281

- City Council will be **this Wednesday, April 6th** at 7:00pm in the Council Chambers
- The recycling bins are back at the City Building for your recyclables. Please don't dump your stuff if the bins are full, as we live in Idaho with Idaho winds and the garbage blows all over and makes a mess! Wait for when the bins are emptied and ready for your stuff to be dumped. Thank you!
