Business Spotlight:

Yellowstone Bed & Breakfast

The **Yellowstone Bed & Breakfast** is Doug and Jill Bobb's idea of a "retirement", however after the grand tour and learning of everything they are doing while "retired", I would say they're not retired just living their 2nd dream in life. Doug and Jill Bobb have two sons that are married now and living in Arizona. Doug and Jill moved to the Ashton area from Twin Falls where they enjoyed working at the hospital there, Doug in x-ray and Jill in administration, and Doug taught photography classes at CSI in the evenings. In the summers they would book photographic tours to Yellowstone and around the Ashton area and show people of the beauty we enjoy in our backyard. After some time they started building little cabins in Twin Falls and would ship them over here to complete the insides of them which are where their guests enjoy a rustic getaway now in Potpourri. They bought their land back in 1989 and by about 1995 they were in the bed & breakfast business! They finally moved here permanently about 2008 and live in a cabin they built here for themselves and grandma overlooking their bed & breakfast business below. Jill says this will be her 4th winter here and she loves it! The Bobb's have 3 cabins, 1 bathhouse with 2 full bathrooms and a washer and dryer for their guests. There is a cookhouse where breakfast is served each morning from their dutch ovens and fire pit. This is the place if you truly want to hide from the chaos of life! There aren't televisions, phones, traffic, or people to be in your way. Just 100% rustic, comfy, cozy cabins in the woods where you can enjoy nature at it's best. The cabins are open from June thru September. The Bobb's also have a cottage they rent out year around that has two bedrooms, kitchen, bathroom, and living room. This one has a television in it if you need a fix! Every cabin is simply decorated with many of Doug's photography work, which is amazing! So retirement plan or not, Doug and Jill maintain some lovely cabins for you to enjoy in the summer, they care for grandma, and you can run into Jill working at 511 Main most days of the week. They would be pleased to be your hosts next summer at the **Yellowstone Bed & Breakfast!** Check out their website at : www.yellowstonecabin.com
