## Business Spotlight:

It is our honor to spotlight our newest member to the Ashton Area Chamber of Commerce **Fall River Furniture**. Joe and Sharon Borgman moved to Chester 8 years ago, with their two young children, to be halfway between both of their families. Two years ago they purchased 516 Main Street because they outgrew their home/shop building cabinets. So, 1 1/2 years ago they opened **Fall River Furniture**, and are very happy with their new added space! Everyone needs to go in and see the wide range of things the Borgman's have to offer. Their store offers gifts, art, and a few antiques. Nearly everything is hand-crafted and one-of-a-kind. Joe has a great talent for furniture and cabinets. So if you are in the mood for something new in a bedroom, study, or living room; or possibly some new cabinets in the kitchen is on your mind you should give Joe a call for a free estimate, and see what magic he can offer you! They have a drawing program for cabinet layout and design right in their backroom of their business. They are willing to come to your home for measurements and welcome anyone to visit their wonderful showroom/kitchen cabinet display. Joe and Sharon are very happy here in Ashton. They enjoy our small town and our rural community. They especially have enjoyed getting to know the people in the community. So if you are looking for something custom, unique, and distinguished for your home, give Joe and Sharon a call at **Fall River Furniture @ 208-221-7682** and see the beautiful touch they can provide to your home.
