Business Spotlight:

Back in 1969, Earl Hossner and his son Lynn, purchased what was once know as the Kunrath place. It was built in 1916 and is now known as **Squirrel Creek Guest Ranch & Inn**. One could say it has a history all it's own as it's vision originally was to pasture cattle and has since, "just kinda evolved," as Lynn would say into something a little more. In the 1970's Todd and his friends decided to add on the first addition to the Ranch house and build two cabins. With this in mind they could run the place as a bar and restaurant. After all, it is in a great location for recreation whether summer or winter alike! Later, Lynn's mother, Yolanda, wanted some place in the country for her family to be able to gather and have enough room for all of them to enjoy each other. So more was added out at the ranch and grandma was happy. And so, the vision of **Squirrel Creek Guest Ranch & Inn** "evolved" even more into your **Family Reunion Headquarters!** Now with 3 cabins, the Ranch House, the Bunk House, the Lodge, 8 R.V. hook ups with water and power and 4 R.V. hook ups with water, power and sewer, plus an added restroom complete with shower for those who enjoy pitching the tent, as well as an all equipped kitchen and pavilion; one could say this would be a family's get-away dream come true! There is so much fun around for your family to enjoy! Maybe you would like to have a horseshoe challenge or enjoy a family game of volleyball. You could visit around the open fire pit and share family stories. There's also a fish pond or a child's sandbox if that would suit your little ones desires. **Squirrel Creek Guest Ranch & Inn** will be pleased to cook a meal or two for your special occasion, whether it be dutch oven, prime rib or maybe a beautiful breakfast with all the fixings; it's your choice. **Squirrel Creek Guest Ranch & Inn** could also be your destination for your class reunion, your wedding, a special group occasion, or just to plum escape the business of life and enjoy the beautiful scenery and outdoors for a time. You can make your reservation now for your summer fun or maybe you are a person who thrives for the wintery weather and the snow machining that goes with it. **Squirrel Creek Guest Ranch & Inn** is ready to be your destination for your vacation. Check out their website @ www.idahoranch.com or call **208-652-3972** for more information and let Todd and his Uncle Larry welcome you and be your host while you are their guests at **Squirrel Creek Guest Ranch & Inn**.

We at Five 11 Main hope you are enjoying your summer!
