Business Spotlight:

In 1950, Richard and Stella Hummel built and opened what was then known as the "Four Seasons Motel". It was very new and very beautiful. 3 years later Richard was killed in a car accident.

*Later Stella remarried and moved away, selling the motel to Steven and Della Davis in 1957. They lived at the motel and ran a successful business. They built 4 new units onto the building and operated the motel. In 1969, Steven & Della sold the motel to Ross & Thayne Wynn. Thayne's sister, Cheryl Simpson managed the motel for a few years until they sold it to their son Paul Wynn around 1985. Paul and his wife Debbie ran the motel and raised their family their for about ten years. In 2009, Angler's Lodge purchased the motel and have since remodeled the "old Four Seasons Motel" into the comfy and cozy new **Angler's Inn**. With 13 rooms available to rest in, **Angler's Inn** has become a favorite among Mesa Falls Marathon runners and those driving on HWY 20 on their way to visit Yellowstone National Park. **Angler's Inn** has 2 rooms with a king bed, 4 rooms with single queen beds, and 7 rooms with double queen beds. All the rooms are equipped with a small refrigerator, microwave, and the newest necessity... Wi-Fi. With **Angler's Inn** is right off the Highway and close to restaurants, Laundromat, and grocery/gas store; this is a great place to rest before your next adventure our lovely area has to offer you. So make **Angler's Inn** your next place to rest as you make your vacation plans.*
