## Business Spotlight:

With the gloominess and dreariness of winter approaching some of us may feel a little down or even somewhat depressed. The lack of sunshine will do that to even the most cheerful person. This is why we are delighted to spotlight a business that can provide services for our community. Joyce Lewis is the owner of **Arcadia Mental Health Resources, INC** located in St. Anthony. She is originally from southern California

and her husband is from St. Anthony. She and her husband love St. Anthony and opened shop here in the Upper Valley to be closer for Ashton and Island Park residents, meeting the needs of Fremont County. Before opening **Arcadia Mental Health Resources, INC**, she worked for another agency which downsized. She still saw a need in our community/county and in 2008 started the paperwork to open her own business. After the 9 months it took to be certified under Medicaid the patients started coming. In the beginning, **Arcadia Mental Health Resources, INC** only provided (PSR) Psychosocial Rehabilitation. Now in their more spacious current location they are able to offer counseling and medication management. Once a month Darrin Robertson, PMHNP from Pocatello, who works at the Safe Haven there; comes to **Arcadia Mental Health Resources, INC** to evaluate ones condition, write prescriptions, and provide follow up visits to be sure you and your medications work well together. He provides the in-depth management of medications for psychiatric disorders. Also in the office are two (LCSW) Licensed Clinical Social Workers. Karen Eli works with Psychotherapy (Counseling) at the center. Leif Sorensen is also a Psychotherapist, but he is working at specializing in becoming a Trauma Recovery Service Provider. Those that would qualify for Trauma Recovery include burn victims, military men & women, domestic abuse, traumatic loss and grief, and many others. Services at **Arcadia Mental Health Resources, INC** are for both adults and children. Accepting most insurances, Medicaid, and Medicare and welcoming new patients anytime; we as your Chamber of Commerce encourage you to check out **Arcadia Mental Health Resources, INC**. Let them help you if you are having a tough time. Their doors are open M-F from 9-5 at 104 N. Bridge St. #104 in St. Anthony. Or you may give them a call at 624-2006 or email them at [arcadia@cableone.net](mailto:arcadia@cableone.net)

## Thank You!

Ashton's Spirit of Christmas was a great gathering to begin the holiday season. Thank you to all the townspeople who came to shop and visit; to all the local vendors who offered such a wide variety of gifts; to those who donated soups from the Flavors of Ashton cookbook; to the musicians/singers who both entertained and reminded us of the reason for the season; to the creative people who donated Christmas stockings for the auction, the generous people who purchased them, and the auctioneers who made the fundraiser a success; and finally to Santa for his visit. The Ashton Community Foundation and the GEMS appreciate such wonderful support, and wish everyone a Merry Christmas!
