Business Spotlight:

Four years later, **Five 11 Main** has become an embedded business in Ashton. Locally family owned and operated, Five 11 Main's owners, Jeff & Deanne Hamilton, feel like the building that contains a famous landmark...our old-fashioned soda fountain...has become a place that Ashton can be proud of, and continues to share Ashton's history with all who dine there. With its clean environment and wonderful pizzas, soups, and sandwiches with ice cream to top it off, who could go wrong! **Five 11 Main** recently hosted the cast party of the "Music Man" after the musical was over. It is a great place to have family parties/dinners in the River Room, a nice date in the "Safe" room, a milkshake with a buddy, or host your company party there and have the entire place to yourself!

Jeff used to be the Chief Finance Officer for 5.11 Tactile which after the company sold out, and Jeff noticed the address of the property for sale this was the answer to what they would call their new found business. Continuing to have fun with the name they opened their doors on May 11, 2009 at 5:11pm. This year on May 11th they will be offering free cake and ice cream from 5:11pm until closing to celebrate their businesses birthday! They appreciate the community's support over the years and have enjoyed meeting and getting to know many people through employees, tourists, and the wonderful people in Ashton. The Hamilton's are continually adding fresh and new items to **Five 11 Main's** menu and are working on expanding their gluten-free menu.

The décor in the restaurant highlights many things that makes Ashton the unique little town that it is. Through renovating the building they have not only preserved history but revealed more with the brick and sealed doorway to what used to be the theater many years ago.

The Hamilton's, including their 12 year old son Jace who you may see at **Five 11 Main** busing tables, caring for his gumball machine business, or just sharing his beautiful talent as he tickles the ivories on the piano, are looking forward to many more years of "selling hot eats and Teton treats!" **Five 11 Main** is open Tuesday—Saturday from 11-8pm. For orders to go call 652-2020.

"Phenomenal" Garage Sale

*The Red Hats are having a "Phenomenal" Garage Sale at the Ashton Storage Units North of Big Juds behind the new Car Wash. It will be at Unit #49 beginning **Monday May 13th through Saturday May 18th**. The money being raised will go to help purchase innovated eye controlled technology for a severely disabled young mother in the Ashton Living Center. She was in a car accident in Rexburg in 2011 that left her with serious brain trauma and unable to take care of her basic needs or even communicate with her two young children and friends. Please support the Red Hats and help them raise the money needed to help this mom so she can communicate with all who come to visit her.*

Check where to Vote on May 21st. There are three different locations this time due to the remodeling of the library. EMS Building, Senior Citizens Building, or City Building. Polls are open from 8:00am—8:00pm.

Information deadline for the Newsletter is due by 8 AM on the Saturday prior to the first and third Tuesday of the month. Please email anything you would like posted to info@ashtonidaho.com or leave a message at 652-3355.
