Ashton Area Chamber of Commerce

The Ashton Area Chamber of Commerce would like to shout out a big **“Thank You”** to everyone who helped make our 4th of July celebration another great success! Thank you to the North Fremont Fire Department, City of Ashton, American Legion, the many workers behind the scenes, the Ashton Rotary Club for the *superb* circus and delicious breakfast, Keith Nyborg and his reunion committee, and to Legacy Flight Museum for the *spectacular* flyover! There were many behind the scene workers and without the support and participation of our wonderful community events like this could not be successful! So, thank you to everyone!

Business Spotlight:

You may not know that **Key Bank** is a full service bank.

KeyBank

Key Bank offers services with mortgages, auto loans, life insurance, retirement accounts, savings, credit cards, and business banking to name a few. When asking branch manager Mark Klein what he would say the best amenity **Key Bank** has to offer? He says, “Our home and auto loan rates are still at an amazing low rate!” So, whether you are in the market to refinance or to get a loan, check out what **Key Bank** can offer you.

Key Bank has just started a new program called, “Pay It Forward.” This new program works by you the customer referring a friend to open an account at **Key Bank** and they could earn \$200 for them, and \$50 for you. If you're interested ask Mark for more details. Also, **Key Bank** rewards you for your everyday banking and when you open new products and services. Through their Relationship Rewards program you can earn points direct deposits, automatic withdrawals, ATM deposits, written checks, online banking bill payment and debit card transactions. You are also rewarded when you open new savings or loans with **Key Bank**. Earned points can be redeemed for cash, airline tickets and gift cards to retailers and restaurants. Branch Manager Mark Klein earns enough points to purchase a \$25 gift card every 3-4 months.

Do you wish the bank was opening on Saturday or Sunday? Now you can make deposits through their Mobile Deposit feature within their Mobile Banking App available for iPhones and Androids. It ensures your check is deposited when you can't make it to the bank before it closes or on weekends.

Key Bank also has a great staff! Besides knowing how to help you with your accounts, they are very community minded. Mark helps the American Legion by playing TAPS on his trumpet and he goes over to the Ashton Living Center and plays the piano for the residents to enjoy. Delona and her husband Keith own their own tree trimming business and are members of the Targhee Ridgerunners. Delena has worked at the bank for over 13 years now and helps her husband Teddy run their own lumberyard business now for over 35 years. And the bank this spring was excited to welcome Michelle Staley from St. Anthony to be the lead teller and over new accounts. Michelle is also a member of the Syringa's and loves riding her horse. Once a year the employees at **Key Bank** participate in “Neighbors Make a Difference” program and close for 4 hours once a year to do community service. Over 7,500 employees from Alaska to Maine participate every year. This year our **Key Bank** employees cleaned trails at Upper Mesa Falls.

So stop in at **Key Bank** today and see if your money is working the best it can for you! **Key Bank** is open M-F from 9-5.
