Business Spotlight:

It is our pleasure this month to welcome our newest member

Laurie Hossner with CountryWide Properties to our family of businesses in the Ashton Area Chamber of Commerce!

Laurie shares a passion for life and an enthusiastic dedication to her clients, friends and family. She began her real estate career in 1995 after working in the Title Industry, marketing and searching title. For many years she successfully owned and operated her own Real Estate company prior to joining forces with CountryWide Properties. Laurie has been in the top production of her company every year and has extensive experience in residential and land sales. Her successful experience in buying and selling real estate in eastern Idaho is the result of her natural ability to build and maintain a strong network of professional and personal connections reaching across the western states with buyers and sellers drawn to the Rocky Mountains' natural beauty from California, Utah, Washington, Texas, Oregon, Arizona, and so many more. She is connected to the land beauty and opportunity in these Rocky Mountains like few others. Give her a call for your Real Estate needs 208-351-3672.

North Fremont Education Foundation

If you are thinking about end of the year donations, there is a double benefit for giving money to **North Fremont Education Foundation!** 1.) It helps Ashton Schools— all donations stay in our local schools. 2.) It may reduce your income taxes! You receive a credit against your Idaho income taxes: The Idaho Tax Credit is 50% of your donation, up to \$500 for single or \$1000 for married filing joint returns. The credit is deducted from the total income taxes you owe the state of Idaho (but will not reduce the tax below zero or create a refund).

Also, the **North Fremont Education Foundation** will be selling stadium chairs for \$45 for the many upcoming girls & boys basketball games and for the wrestling matches. Please contact the high school for more details on how to purchase yours today for the winter athletic season.
