March

Chamber Of Commerce 714 Main St. P.O. Box 351 Ashton, Idaho 83420 (208) 652-3355

Ashton Area Chamber of Commerce

- ♦ *The Ashton Area Chamber of Commerce Meeting will be Thursday, March 20th @ noon @ the Chamber office. Lunch will be from Chriswell's Trails Inn.*
- ♦ *Our meeting this Thursday has a very full agenda including talk about the Easter Egg Hunt, 4th of July, and Visitor Center. We are also excited to hear a presentation from our high school students who are involved with FFA. They have prepared a forum for all business owners to come and hear. This forum is in preparation for their participation at state competition. The topic is on "World Hunger". Should government or private industry drive food aid to 3rd world countries? How/What is our role here in Ashton? Should businesses, the private sector, or government aid the need of hunger in other countries? Come see their presentation and express to the students how you as Ashton Businesses really feel. This is a great opportunity and hope many will come and participate Thursday @ noon!*

Business Spotlight:

In 1947 Lavar Cherry started what was known then as Cherry Builders. Later when his son Layle was old enough, he joined his father and they worked side by side as father and son with the family business. In 2002, Layle's son Mitch started learning how the family business worked and learn the construction business along the side of his dad. Over the years, the name of the business changed from Cherry Builders to *Cherry Construction*. Last year in 2013, Mitch took over the business and is now the owner of *Cherry Construction*. Mitch is excited to offer his talents and craftsmanship to the community. *Cherry Construction* specializes in residential construction, new construction, custom cabinets, interior finish work, remodeling, hardwood flooring, tile, concrete, decks, metal roofing, and siding. Mitch and his wife Tia both grew up here in Ashton. They have a sweet family, and just welcomed their 3rd little one into their family at the end of December. Mitch and Tia know a lot of people in our community and enjoy helping others to build their dreams and help them come true. Tia would brag that her husband, Mitch is "an artist with a nail and hammer!" He really enjoys finish work.

At *Cherry Construction*, Mitch likes to work hard to get the job done, but doesn't overlook the details of good quality finish work.

It is our pleasure to spotlight one of our newest members to our Ashton Area Chamber of Commerce family and encourage you to give *Cherry Construction* a call for your spring projects or even to help you build that dream home this year.

Give Mitch a call at 208-709-1241. Also you can check out the website at: www.cherryconstruction.us
