Business Spotlight:

Dan's Plumbing & Heating

With winter slowly approaching us it is time to give Dan's Plumbing & Heating a call to make sure your hydrants, sprinkler systems, and pipes are ready for the cold! It would be a shame to have any cracks or leaks appear in your pipes, or be cold this winter with Dan's Plumbing and Heating right here on 421 Main Street to help us out with our needs. They've been serving Ashton for over 20 years! So, if you are in need of someone to help you out with your plumbing or heating give Dan Whitmore and his men a call. They also specialize in new construction. Dan would like to extend a special thank you to the community for the years of support! So, give Dan's Plumbing & Heating a call before winter for repair on any damages so that you can be warm and worry free during our long winters. Call Dan @ 652-3281

We would like to extend a special "Thank You" to Dan's Plumbing & Heating for providing the flowers and upkeep on the garden area at the Visitor's Center this summer. You really helped it have a special "local" touch!
