## Business Spotlight:

Mike Ballou and Ken Miller are cousins. Mike bought the building formerly known to locals as Dar's Body Shop, located on the corner next to Precision Chiropractic. Last spring Mike

approached his cousin Ken about getting his building occupied and told him he wanted to rent drift boats. So, Ken and Mike ventured up to check out the building and see what finishing touches needed to be made so that they could open for business. The changes were made and they were open last summer. Ken and his wife Linda moved from Rigby into his aunt Myrna Solomon's place on the old Egbert homestead out in Warm River. They have 4 grown children who are scattered across the country. They enjoy connecting with and "adopting" other families. Ken knows the retail business quite well as he owned a leather repair shop for many years. So, as general manager of **Miller Drift Boats and Sporting Goods** he is well equipped with the knowledge one needs to run a business.

**Miller Drift Boats and Sporting Goods** started last year with only rental of drift boats and shuttle services to your favorite fishing destination. They have since expanded offering flies, archery, and ammunition. They also have drift boats for sale and in the very near future will be your location to buy your fishing and hunting licenses.

For those of you who want to expand your horizons, Mike also offers the opportunity to take you on a South African Adventure. So if hunting elk and deer are not enough to fill your itch to hunt give **Miller Drift Boats and Sporting Goods** a call to learn more about how you can go and have a South African Experience.

**Miller Drift Boats and Sporting Goods** business hours are Monday-Saturday 7:30am-6:00pm. For reservations or shuttle services call 208-881-7550 during the day and in the evenings call 208-652-0108. Also we encourage you to check out their website at: [www.millerdriftboats.com](http://www.millerdriftboats.com)

We at the Ashton Chamber of Commerce are excited to spotlight **Miller Drift Boats and Sporting Goods** as one of our newest members to our Ashton business family!

## 4th of July Celebration

Despite March coming in like a lion...and the random blizzards this week. It's time to start planning our 4th of July celebration for 2016.

We will be having a parade theme contest for the schools to participate in and let everyone know by April our theme. Planning preparations are underway for our Fireworks Fundraiser Dinner in May. And any suggestions for Grand Marshal are appreciated. So, despite the "frightful weather" we know in a few months summer will be here and we want to be ready for another wonderful celebration!
