## Business Spotlight:

Kurt and Heather Cordingley have been married for 23 years. They have 5 children and 2 grandchildren. Kurt was born and raised here in Ashton and not far down the road to St. Anthony is where Heather grew up. Kurt has been in the logging business for 37 years. Heather worked for Madison Memorial for 8 years. Becoming tired of the commute from Ashton to Rexburg and needing to be home for their two younger children, it was time for Heather to work from home, here in Ashton. Kurt and Heather purchased the building on HWY 20 across from the Rankin Motel in December of 2017 to embark on a new adventure and provide new opportunities in the business community of Ashton.

Needing a shed for their lifestyle needs at their home, they started shopping around and found **Old Hickory Sheds**. Liking the quality and design of their new shed and the many amenities **Old Hickory Sheds** had to offer, Heather looked into what it would take to sale this useful and nice product in our area. With that, a new business was born. This spring marks 1 year that the Cordingleys have been selling the **Old Hickory Sheds**. And it's been a good investment for the area. They are keeping busy serving the Ashton, St. Anthony, Island Park, Driggs, and West Yellowstone areas with their business. **Old Hickory Sheds** are a built in Idaho product. Their main office is based in Jerome, Idaho.

What is really neat about **Old Hickory Sheds** is that you can purchase a shed on the lot or you can actually design your own shed to your preference and they will build it and deliver to your residence. This is a really neat feature of **Old Hickory Sheds!** They have so many different packages and new options from building a playhouse, to a shed, to a garage, to a small home. Delivery and set up is free within a 30 mile radius of Ashton, after that there is a small fee. They also offer payment options and rent to own options.

**Old Hickory Sheds business hours are 9:30-5 Monday-Saturday. However, Heather is available outside of business hours too. You can reach Heather @ 208-351-3715 or visit her website at [oldhickorysheds.us](http://oldhickorysheds.us) you can also go and visit her at the office located at 265 S. Hwy 20 and see the many possibilities she has to offer.**

The Ashton Area Chamber of Commerce is excited to welcome the **Old Hickory Sheds** as a new member and to our business community. We encourage the community to go and see if an **Old Hickory Shed** will work for you!
