4th of July Celebration! 🇺🇸

Congratulations to Mrs. Howell's 1st grade class! They are the winners of the 4th of July Theme Contest. Our theme for our 4th of July parade will be: "**Stars, Stripes, & American Heroes**". We encourage any floats or other entries to decorate for the parade according to our theme for this year.

Our Fireworks Fundraiser dinner was awesome! A sincere thank you to all of the church's and their members for making the dinner such a delicious success. We were able to raise \$2000. This is a little less than other years, but a great start to helping us have a spectacular fireworks show. We also appreciate the N.F. Fire Department for stopping traffic to fill the boot. This helps add to our funds for the fireworks. If anyone would like to still donate to the fireworks this year you can leave your donations at Stronks and Sons or mail them to Rachel Hatton @ P.O. Box 153 Ashton, ID 83420. Please make the checks to Ashton Fireworks. We are excited! Plans for the annual Ashton 4th of July celebration are happening and coming together well.

The Ashton Chamber of Commerce is excited to announce that our Grand Marshal for this year will be Martin Gallagher for his over 50 years of volunteering on the N.F. Fire Department and the other services he has provided to our community and country.

Our final fund-raiser for the NFHS educational trip to Costa Rica will be running the flea market **May 28 through June 9**. Items to sell are needed! Especially gently used or new non-clothing articles. Of course, clothing is always welcome, also. The 11 students are leaving June 10 for 8 days.

Thank you for your help and generosity in making this trip possible for these students.

Information deadline for the Newsletter is due by 8 AM on the Saturday prior to the first and third Tuesday of the month. Please email anything you would like posted to info@ashtonidaho.com or leave a message at 652-3355.

Business Spotlight:

For years and years McKall Stronks has wanted to work in or own a snow shack. She's not even sure at what point this became an idea or desire for that matter, but when she mentioned it to her husband, Jeff, he was so willing to do whatever to make it happen. McKall then mentioned her crazy kooky idea to her mom, so her mom asked a friend of hers that owns a bunch of snow shacks down in Texas how it all works. Then her mom relayed what she learned with McKall, and the rest they say is history. Jeff and McKall started looking at places to put the shack and what building to have the business in. They really were just trying to figure out all their options. Finalizing those decisions, they finalized having Snow Shack supply their snow cone product. Jeff and McKall then thought about approaching Karie Anne's in Rexburg. McKall was so excited when Karie Anne's was willing to give them permission to try selling their product at Snow Buzz. Since last summer's sales proved that Karie Anne's was a great success at the **Snow Buzz**, they have signed on with **Snow Buzz** to letting them permanently have there amazing product at **Snow Buzz**.

The business name of **Snow Buzz** was fun to create. Jeff and McKall had a bunch of ideas, but the decision ultimately came down to one that would allow for a fun logo and marketing. Because McKall's parents have had honey bees her entire life, this became the inspiration for the name of the business, the logo, and their flavors. All of **Snow Buzz** flavor combo names are a "bee" related term in some fashion or another.

Karie Anne's is a form of shaved ice, but it's smooth and soft. There are 8 regular flavors each week of the Italian ice: green apple, strawberry, pina colada, tiger's blood, mango, peach, red raspberry, and blue raspberry. They also have two regular flavors of custard each week, chocolate and vanilla. They alternate every week a new ice flavor and a new custard flavor which makes it fun to have a surprise each week for their **Snow Buzz** customers!

Snow Buzz is opened Monday-Saturday 12-9pm. They are closed on Sundays. Currently, until school is released next Friday, June 1, the business hours ae Mon.-Thurs. 3-8pm, Fri.-Sat. 2-8pm.

Jeff and McKall appreciate the support of the community and are excited to serve you their yummy, cool and refreshing treats this summer from **Snow Buzz**!
