Community BBQ and Pool Fundraiser

A sincere "Thank You" to everyone who supported the Ashton Pool Fundraiser this year. Many attended, made beautiful delicious desserts to auction, and helped raise funds to help maintain our nice Ashton Pool. That evening we raised \$2000. We received an additional donation from Rocky Mountain Power for \$1000. And councilman Jerry Funke and his family helped get the sign on the side of the roof to make it more complete. Every little bit each of us contribute each year definitely helps keep it as a great place for swimming lessons, pool parties, and a fun place to enjoy our summertime!

Legacy Flight Museum
The Legacy Flight Museum is the brain child of John Bagley of Rexburg, Idaho, who founded the museum in 2006. His goal and the goal of the museum's volunteers is to give guests the opportunity to see up close and personal some of the aircraft that United States Military Veterans flew as they served our country and provided us with the freedoms that we enjoy today.
